SUFFOLK PEANUT FEST ANNOUNCES NEW ATV MUD BOG

SUFFOLK, VA: Tires will spin, mud will fly, fans will cheer! Suffolk Peanut Fest has added a new element to the already popular four-day event—an ATV Mud Bog. Produced by T.D.A.W., lead by Jeff Stakes. This particular event includes muddy challenges for adults and children. Scheduled for Saturday, October 12, from 12 p.m. until 4 p.m. in the Suffolk Peanut Fest Arena Area, registration is on-site and is \$15 adults/\$5 kids. Participants must furnish their own ATVs. For more information, log onto SuffolkFest.org.

According to Stakes, the event organizer, “we will have a kiddie track for the little ones, an obstacle course for two wheel and utility quads, a non-snorkeled mud pit, and of course, our deep pit.” The course consists of three separate tracks:

1. Obstacle/Kiddie Track: 4-6ft straight wide pit with a small hill.
 - Kids race side by side, double elimination. Open to all ATVs smaller than 125cc.
2. A Mud Track with two 75ft side mud pits and one 100ft center mud pit.
 - The non-snorkeled bikes start on opposite corners of the track and chase each other around the perimeter of the track for two laps, finishing in the middle of the side pits.
 - The snorkeled division bikes line up on the same side of the side pits (one front one back) race down, both turning into the center pit where they race side by side crossing before the end. Coming out of the pit, they run the opposite side pit, turn back to the center pit where they race side by side to the end of the pit. All races on the mud track are double elimination. This track is open to utility ATVs and side by sides.
3. The Obstacle Course, a less muddy track.
 - Left and right turns including obstacles (i.e. dirt hills, small logs, tire pit, etc.). This is a timed event and is the best of three runs. This event is open to all ATVs sport and utility, and side by sides.
